2.3 Award of Contract

a) Post qualification

2.3.1 The determination will take into account the tenderer's financial and technical capabilities. It will be based upon an examination of the documentary evidence of the tenderers qualifications submitted by the tenderer as well as such other information as the Procuring Entity deems necessary and appropriate.

2.3.2 An affirmative determination will be a prerequisite for award of the contract to the tenderer. A negative determination will result in rejection of the Tenderer's tender, in which event the Procuring Entity will proceed to the next lowest evaluated tender to make a similar determination of that Tenderer's capabilities to perform satisfactorily.

b) Award Criteria

2.3.3 The Procuring Entity will award the contract to the successful tenderer whose tender has been determined to be substantially responsive and has been determined to be the lowest evaluated tender, provided further that the tenderer is determined to be qualified to perform the contract satisfactorily.

2.3.4 The procuring Entity reserves the right to accept or reject any tender and to annul the tendering process and reject all tenders at any time prior to contract award, without thereby incurring any liability to the affected tenderer or tenderers or any obligation to inform the affected tenderer or tenderers of the grounds for the Procuring Entity's action. If the Procuring Entity determines that none of the tenders is responsive; the Procuring Entity shall notify each tenderer who submitted a tender.

2.3.5 A tenderer who gives false information in the tender document about its qualification or who refuses to enter into a contract after notification of contract award shall be considered for debarment from participating in future Public Procurement.

c) Notification of award

2.3.6. Prior to the expiration of the period of tender validity, the Procuring Entity will notify the successful tenderer in writing that its tender has been accepted.

2.3.7 The notification of award will signify the formation of the Contract subject to the signing of the contract between the tenderer and the Procuring Entity. Clause

2.3.8 Simultaneously the other tenderers shall be notified that their tenders were not successful.

2.3.9 Upon the successful tenderer's furnishing of the performance security pursuant to paragraph 2.4.2, the Procuring entity will promptly notify each unsuccessful tenderer and will discharge its tender security, pursuant to paragraph 1.5.

d) Signing of Contract

2.3.10 At the same time as the Procuring entity notifies the successful tenderer that its tender has been accepted, the Procuring entity will simultaneously inform the other tenderers that their tenders have not been successful.

2.3.11 Within fourteen (14) days of receipt of the Contract Form, the successful tenderer shall sign and date the contract and return it to the Procuring entity.

2.3.12 The parties to the contract shall have it signed within 30 days from the date of notification of contract award unless there is an administrative review request.

e) Performance Security

2.3.13 Within thirty (30) days of the receipt of notification of award from the Procuring entity, the successful tenderer shall furnish the performance security in accordance with the Conditions of Contract, in the Performance Security Form provided in the tender documents, or in another form acceptable to the Procuring entity.

2.3.14 Failure of the successful tenderer to comply with the requirement of paragraph 2.4.2 or paragraph 2.4.4 shall constitute sufficient grounds for the annulment of the award and forfeiture of the tender security, in which event the Procuring entity may make the award to the next lowest evaluated or call for new tenders.

f) Corrupt or Fraudulent Practices

2.3.15 The Procuring entity requires that tenderers observe the highest standard of ethics during the procurement process and execution of contracts. A tenderer shall sign a declaration that he has not and will not be involved in corrupt or fraudulent practices.

2.3.16 The procuring entity will reject a proposal for award if it determines that the tenderer recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question;

2.3.17 Further, a tenderer who is found to have indulged in corrupt or fraudulent practices risks being debarred from participating in Public Procurement in Kenya.

3.0 SECTION C: GENERAL CONDITIONS OF THE CONTRACT

3.1 Definitions

In this contract the following terms shall be interpreted as indicated,

- a) "The contract" means the agreement entered into between the Procuring entity and the tenderer as recorded in the Contract Form signed by the parties, including all attachments and appendices thereto and all documents incorporated by reference therein.
- b) "The Contract Price" means the price payable to the tenderer under the Contract for the full and proper performance of its contractual obligations.

These General Conditions shall apply to the extent that they are not superseded by provisions of other part of contract.

3.3 Assignment

The tenderer shall not assign, in whole or in part, its obligations to perform under this contract, except with the Procuring Entity's prior written consent.

3.4 Termination for Default

The Procuring Entity may, without prejudice to any other remedy for breach of Contract, by written notice of default sent to the tenderer, terminate this Contract in whole or in part:

- a) If the tenderer fails to provide any or all of the services within the period(s) specified in the Contract, or within any extension thereof granted by the Procuring Entity.
- b) If the tenderer fails to perform any other obligation(s) under the Contract.
- c) If the tenderer, in the judgment of the Procuring Entity has engaged in corrupt or fraudulent practices in competing for or in executing the Contract.

In the event the Procuring Entity terminates the Contract in whole or in part, it may procure, upon such terms and in such manner as it deems appropriate, services similar to those undelivered, and the tenderer shall be liable to the Procuring Entity for any excess costs for such similar services.

3.5 Termination of insolvency

The Procuring Entity may at any time terminate the contract by giving written notice to the service provider if the service provider becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the service provider, provided that such termination will not produce or affect any right of action or remedy, which has accrued or will accrue thereafter to the Procuring Entity.

3.6 Termination for convenience

- 3.6.1 The procuring entity by written notice sent to the service provider may terminate the contract in whole or in part, at any time for its convenience. The notice of termination shall specify that the termination is for the Procuring Entity convenience, the extent to which performance of the service provider of the contract is terminated and the date on which such termination becomes effective.
- 3.6.2 For the remaining part of the contract after termination the Procuring Entity may elect to cancel the services and pay to the contractor on agreed amount for partially completed services.

3.7 Resolution of disputes

The Procuring Entity and the service provider shall make every effort to resolve amicably by direct informal negotiations any disagreement or dispute arising between them under or in connection with the contract.

If after thirty (30) days from the commencement of such informal negotiations both parties have been unable to resolve amicably a contract dispute either party may require that the dispute be referred for resolution to the formal mechanisms.

3.8 Governing Language

The contract shall be written in the English language. All correspondence and other documents pertaining to the contract, which are exchanged by the parties, shall be written in the same language.

3.9 Force Majeure

The service provider shall not be liable for default if and to the extent that it's delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.

3.10 Applicable Law

The contract shall be interpreted in accordance with the laws of Kenya i.e. The Public Procurement and Assets Disposal Act, 2015.

3.11 Notices

Any notices given by one party to the other pursuant to this contract shall be sent to the other party by post or by fax or E-mail and confirmed in writing to the other party's address.

A notice shall be effective when delivered or on the notices effective date, whichever is late.
